Philips
One-touch espresso maker

HD5720

Patented steam pipe

15-bar, high-pressure brewing

Fully automatic

Professional-quality automatic grinder

Cup warmer

So simple, so delicious

Push once for your perfect espresso

Philips' one-touch espresso maker, with a full 15 bar of pressure, gives you delicious espresso at the push of a button. Beans are ground freshly by the automatic grinder. And the stainless-steel finishing makes for an eye-catching design.

Tasty cappuccino

- Patented steam pipe for better, easier frothing
- Separate boilers for steam and coffee making
- Fast: direct steam for milk frothing

Delicious results

- 15-bar high-pressure brewing: great aroma and crema layer
- Fully automatic system guarantees consistent taste
- Professional-quality automatic mill to grind fresh beans
- Intelligent pre-brewing for optimal aroma extraction
- Stainless-steel cup warmer, so drinks stay warm longer
- Lots of choice: espresso, cappuccino, café crème and more

Self-explanatory display

- Easily adjustable settings (volume, strength, temperature)
- Preferred settings can be saved

PHILIPS
sense and simplicity
